Mexico on the Move

No. 151

NAIM

The #OECD praised the progress made by Mexico's new international airport, especially the project's governance, public procurement practices, communication strategy, integrity and transparency. bit.ly/2D1TwNC

The second progress report on Mexico's new international airport points to the inclusion of consultations with society to address the nearby communities' concerns and to inform about the project's benefits for all of society. bit.ly/2D1TwNC

#DidYouKnow that Mexico's new international airport project has won fifteen awards from international publications and organizations such as LatinFinance, Climate Bonds Initiative and CG/LA Infrastructure? bit.ly/2D1TwNC

Mexico's new international airport is and will continue to be one of the most monitored and transparent infrastructure projects. #LearnMore bit.ly/2D1TwNC

Fitur 2018

#Mexico will have a strong presence at the 38th International Tourism Trade Fair (FITUR 2018), one of the most important international trade shows, which will be held from January 17-22 in Madrid.

By participating in FITUR 2018, Mexico will have the opportunity to promote tourism and make it one of the main drivers of the economy by attracting more tourists and new investment to develop Mexican tourist destinations.

The Mexico Pavilion at FITUR 2018 will showcase exhibitors from various Mexican states in order to boost the country's tourist industry bit.ly/2DnreMK

Over 10,000 companies from 165 countries and regions, including #Mexico, have exhibits at FITUR 2018 bit.ly/2DnreMK

Gray Whale

@CONANP's first gray whale count of the 2018 season totaled 213 whales (146 adults and 67 calves) in the Ojo de Liebre lagoon within the El Vizcaíno Biosphere Reserve on the Baja California Peninsula. bit.ly/2FIOK53

#LearnMore Gray whales migrate to Mexican waters to give birth and nurse their young until April, when they begin their return migration to Alaska. bit.ly/2FIOK53

Gray whale season started on December 15, 2017 and will end on April 30, 2018. The number of whales peaks in mid-February.

El Vizcaíno, a World Heritage Site, has been classified as the best breeding ground in the world for the gray whale. bit.ly/2FIOK53
