

CLIMATE CHANGE

-  @Semarnatmx held a national workshop to train regional coordinators in community-based early warning systems and climate change adaptation as follow-up to Mexico's commitments under the #ParisAgreement on #ClimateAction. #MexicoIsGloballyResponsible bit.ly/2uRuuch
-  The goal is to reduce the vulnerability of 160 municipalities, help local communities adapt to climate change, better protect and restore ecosystems, achieve zero deforestation, and create and implement early warning systems for extreme weather events. bit.ly/2uRuuch
-  #DidYouKnow that #Mexico was the 1st developing country to submit its climate change adaptation and mitigation commitments to the #UN?
