

... or Mexico? THE (MONTREAL) GAZETTE

THE GAZETTE MARCH 15, 2011 4:06 AM

Pothole season is upon us. This year they seem to be more frequent and deeper than ever. I have just returned from the Mexican Baja, where I drove through small towns and the outback for several hundred miles, and I can say with certainty that Quebec and Montreal motorists live in a Third World road system.

I'll take driving in Mexico anytime!
