## 30. ADMINISTRATIVE AND INSTITUTIONAL PROVISIONS

### Mexico's Objectives

- Facilitating the implementation and operation of the Treaty.

### Benefits for Mexico

- Establishes a dialogue mechanism for issues related to the functioning of the Treaty.

### Chapter's Main Provisions

- Establishment of a Free Trade Commission, composed of government representatives of each Party at the level of Ministers or their designees **(Article 30.1)**. The Free Trade Commission will be responsible for: considering proposals to amend or modify the Agreement; considering ways to improve trade and investment between the Parties further; issuing interpretations of the provisions of this Agreement; among other activities **(Article 30.2)**.
