

Experience the wonders of CHIHUAHUA

2022 Edition

In Chihuahua, the Madre Occidental mountain range is displayed with all its grandeur through the mountains, plateaus, amazing rivers, streams, pine forests, waterfalls, caves and of course, the Copper Canyon, one of the largest and most impressive canyon systems in the world, where rocky cliffs and vertical walls 1,500 meters show the broadest and deepest canyons in the country.

Attend Chihuahua's International Festival of Adventurous Tourism

"El Chepe is the most beautiful train trip in the Western hemisphere. The canyon is stunning...the side trips were also good. Seeing the villages of the Taramari tribes was so interesting."

– Roberta (TripAdvisor, 2020)

WHAT TO EAT?

Machaca with eggs

Discada tacos
