

Experience the wonders of **COAHUILA** 2022 Edition

Dominated by the desert, many of the attractions of Coahuila are in this ecosystem, although some, such as the Cuatro Ciénegas Biosphere Reserve are a surprising find. With about 150 different species of plants and animals endemic from the valley and mountains and because of its fragile and unique ecosystem, the valley is a perfect environment for photography lovers.

"If you have the opportunity to go to Parras Coahuila it is a must to visit Casa Madero, take a wine tour, do a wine tasting, stay at the hacienda for a family reunion or wedding. We stayed for a family reunion and we had the best time. Service, food and wine excellent! Beautiful place, sunsets, night sky"
