

Experience the wonders of PUEBLA

2022 Edition

Be amazed with the splendor of its elegant colonial buildings, its streets and flavors that honor its nickname "the city of the angels". Legend has it that after the construction of the Cathedral of Our Lady of the Immaculate Conception, engineers and architects wondered how to carry a bell of 8,000 kilos. One morning, residents awoke to the news that it was already at the top. This legend is responsible for this beautiful city being called Puebla de los Angeles.
