

Experience the wonders of TAMAULIPAS

2022 Edition

Come to a rich and diverse state where life is warm and gentle. In Tamaulipas, history and modernity converge to form an almost perfect balance in which culture and nature break through giving you the chance to have unique experiences in a beautiful tourist destination. The state is privileged to have five beautiful beaches that have tourist infrastructure like hotels and restaurants with seafood and typical dishes of the area.

**Direct flight to Tampico from 1
U.S. city**

International arrivals with: United Airlines

Take a break at Miramar Beach and Cenote el Zacatón

"Built in the 1800s and reconstructed after severe problems in the 1900s. [The Cathedral] was covered with pink quarry with Corinthian columns and a segmented dome. The beautiful main altar of white Carrara Marble is dedicated to the Immaculate Conception (Virgin Mary)."

– TripAdvisor, 2018
