

COAHUILA

EMBASSY OF MEXICO IN THE UNITED STATES – ECONOMIC AFFAIRS OFFICE

EDITION 2021

Dominated by the desert, many of the attractions of Coahuila are in this ecosystem, although some, such as the Four Cienegas Biosphere Reserve are a surprising finding. With about 150 different species of plants and animals endemic from the valley and mountains and because of its fragile and unique ecosystem, the valley is a perfect environment for photography lovers.

"If you have the opportunity to go to Parras Coahuila it is a must to visit Casa Madero, take a wine tour, do a wine tasting, stay at the hacienda for a family reunion or wedding. We stayed for a family reunion and we had the best time. Service, food and wine excellent! Beautiful place, sunsets, night sky! All the employees at the hacienda treated us like if it was our home.."
