

GUANAJUATO

EMBASSY OF MEXICO IN THE UNITED STATES – ECONOMIC AFFAIRS OFFICE

EDITION 2021

The city of Guanajuato, declared Patrimony of the Humanity by UNESCO, and the "Ruta de las Minas" or Mines route, that cross-cuts its municipalities, and its scrumptious and honest gastronomy make this state an excellent destination that reunites Mexican traditions with the *novohispano* culture. Just as bright in its underground lifestyle as in surface, Guanajuato is the headquarters of some of the most important cultural samples in the world: The Cervantino International Festival.
