INVITATION 2020

“Alebrijes” are, without a doubt, a fundamental part of Mexico’s cultural and artistic imaginary, through which fantastic figures are created that combine different elements of real or imagined animals, represented with vibrant and colorful paint.

Thanks to these types of artisanal representations, Mexican culture continues to transcend borders, allowing us to create closer links with other communities around the world and promote the cultural richness of our country.

For this reason “Alebrijes” is the theme chosen by the Institute for Mexicans Abroad (“IME”, for its acronym in Spanish) for the XXIV edition of the Children’s Drawing Contest “Este es mi México”.

“Alebrijes”, fantastic figures around the world.

With this theme in mind, we invite children from around the world to put their imagination in motion and showcase their artistic abilities by participating in the XXIV edition of the Contest.
