“Let’s Draw about Mexican Music and Traditions”

The Institute for Mexicans Abroad invites all the children to participate in the **20th Children Drawing Contest** “Este es mi México”, through the Mexican Embassies and Consulates around the world.

For the first time, the contest request drawings elaborated by teams of at least two members, to promote teamwork, harmony and coexistence among children.

This year, the contest promotes teamwork among children, from all nationalities, to elaborate drawings about Mexican Music and Traditions, gathering ideas from friends and classmates. In addition, for the first time, we are inviting children living in Mexico, and especially migrant children who have returned to Mexico, after living abroad with their families.

Participating children must draw what they like the most about Mexico, its Music and Traditions. You can elaborate your drawing with a team of friends and classmates. It is your choice!

The contest goal is to promote knowledge about Mexico, among children interested in drawing about sceneries, histories, characters, culture or whatever they learn about Mexico, its Music and Traditions.

We are counting with all the children to begin this adventure!!!!
