Documents not issued by Mexican or Czech authorities must be legalized or apostilled.

In the case of students less than 25 years, the economic solvency can be proven by one of the parents or the person who has full custody or guardianship of the applicant. The following documents should be presented:

- Birth certificate of the student or document proving the family relationship with the parent, or court decision establishing the authority, custody or guardianship.
- If the birth certificate or court order is not from Czech Republic, the document must be apostilled or legalized and translated into Spanish, except those which are in English.
- Original and copy of the identification of the parent(s) or guardian(s) proving the economic solvency (passport).

The economic solvency can also be accredited by original letter from the institution confirming that he has been a recipient of a scholarship or original document from a bank or financial institution certifying that he has received funding.

- V. Payment of the visa fee (\$ 44.00 us dollars). No other currency is accepted. Please notice that there is no reimbursement for visa payment, even if the visa is denied. The payment is for the review of your application, so please check carefully that you have the completed documents before submitting your application.

Presentation of these documents does not guarantee visa issuance. Please kindly notice that all applications are subject to approval. A visa does not guarantee entry into Mexico, where the final decision will be taken by an immigration officer at the point of entry. The holder of a Temporary Resident Student Visa must visit the nearest immigration office within the next 30 days after entering Mexican territory, to process their Residency card which authorizes their legal stay in national territory.

** Documents from another country need to be apostilled or legalized and translated into Spanish or English
