founded in 1775 by the dominican friar Guadalupe Soriano.

You'll also find **Puente de Dios**, Puerta de Cielo, infernillo Canyon and some ecotourstic camps.

# SIERRA GORDA

# Landa De Matamoros

This municipality is found in the middle of the Sierra Gorda and in its principal attractions it has two franciscan missions:

**Misión Santa María del Agua de Landa** Dedicated to the purest conception, its facade is considered to be by some one of the most beautiful out of the 5 missions.

**Misión San Francisco de Valle de Tilaco.** Titled the naive faith, its dedicated to San Francisco de Asis. It has the singularity that it has the smallest facade and its four sirens haven't been able to be interpreted.

The local gastronomy is exquisite, its Zacahuil is specially recommended, Its a monumental tamale made with meat and covered with banana leaf.

## SIERRA GORDA

# Peñamiller

Its gastronomical specialty is the chivo tapeado, visit “La tembladera” viewpoint. A modest space to stop by the highway and enjoy an extraordinary view and its desert way into the interior of the Sierra Gorda.

In the Paradise Canyon by the hand of experts you can have guided tours in the deepest cliffs and black marmol formations that follow part of the Extoraz river.

The white river between the desert climate, the white river community is rich in spring water and vegetation, and there are trout hatcheries so you will easily find where to eat.

The San Miguel Archangel Temple inside of the San Miguel Palma mission, has an outstanding black Crist and it has in its interior a San Miguel Archangel to whom the Walnut fair is dedicated to at the end of september.

## SIERRA GORDA
