Foreigners who wish to travel to Mexico to conduct remunerated activities must invariably have an offer of employment. The Mexican institution/person who intends to employ the foreigner must submit the visa application directly to the National Migration Institute in Mexico (INM). The Embassy can only issue a visa if it has been authorized by the INM.

In compliance with all requirements a valid single-entry visa will be issued. Once the applicant has entered Mexican territory, she or he must request the Temporary Resident Card, within the first 30 calendar days, at the National Migration Institute (INM).
